

## WLANSW Website Consultation Questions

*The Women Lawyers Association of NSW (WLANSW) currently operates with an existing website located at <https://womenlawyersnsw.org.au/>. The website serves as a crucial platform for communication, engagement, and information dissemination for WLANSW members and the broader community. As the digital landscape evolves, it is imperative to ensure that the website remains effective, user-friendly, and aligned with the organization's strategic objectives. WLANSW is initiating a comprehensive review and potential upgrade of the WLANSW website. This review aims to assess the current website's functionality, design, content relevance, and user experience to identify areas for improvement. The goal is to enhance the website's usability, accessibility, and overall effectiveness in meeting the needs of WLANSW members and stakeholders.*
