Get ready to celebrate a classic Mother's Day!

Registration opened in December 2014 for Australia's biggest breast cancer research event, the annual ***Women in Super Mother's Day Classic***.

Every Mother's Day for the past 17 years, Australians have walked or run to fund research and honour those who have been diagnosed with breast cancer.

At the 2014 Mother's Day Classic more than 135,000 participants in 97 events around the nation and on overseas military bases raised \$4.5 million, bringing the overall total raised to \$24.3 million.

This year's event is being held on Sunday 10 May 2015, and is open to all ages and fitness levels, so there is something for everyone, whether you want to participate or simply come along and support.

More than a quarter of a million people have participated in past Mother's Day Classic events, and you can too this year by registering at www.mothersdayclassic.com.au

The Mother's Day Classic was established in 1998 by ***Women in Super***.

Women in Super continue to organise the event. Since ***Women in Super*** initiated the event in 1998, survival rates for women diagnosed with breast cancer have increased to 85%. The money raised by the Mother's Day Classic has contributed to this life saving research.

ME Bank has proudly supported the Mother's Day Classic as the major sponsor since 2005.
